Database: MySQL
Version Control:GIT

PROJECTS

- **Application : FoSCoRIS Role:**

Programmer.

Technologies : Flutter,dart.

Market link : <https://play.google.com/store/apps/details?id=fssai.foscoris>

Project Description:

Food Safety Compliance through Regular Inspection and Sampling' (**FoSCoRIS**) System is owned by Food Safety and Standards Authority of India (**FSSAI**), Ministry of Health and Family Welfare, Government of India. It is meant for conducting inspection of food units by Food Safety Officers and Designated Officers.

No sign-up is required for the same. User-ids and Passwords credential of Officers are the same as set and updated in FSSAI Application Food Safety Compliance System (**FoSCoS**). Inspections allocated through **FoSCoS** are visible real-time in **FoSCoRIS**. If inspections are conducted through **FoSCoRIS**, after completion, reports are real time visible to all concerned authorities and the concerned food business under their **FoSCoS** account.

- **Application : Apeda Inspection**

Role : Programmer.

Technologies : Android SDK, Java, Recycler View.

Market link : <https://play.google.com/store/apps/details?id=com.inspection.apeda>

Project Description:

To harness the potential of mobile technology, **APEDA** has developed a mobile app for Real time Inspection/surveillance report submission by APEDA Officials.

This app allows **APEDA** Officials to submit Inspection/surveillance Report of Units direct from the site of inspection using GPS technology.

- **Application : District Census Handbook Data Collection 2021 (Testing Phase)**

Role : Programmer.

Technologies : Android SDK, Java, Recycler View, Room Library.

Website URL : <https://dchb.census.gov.in/>

Project Description:

Registrar General and Census Commissioner of India, founded in 1961 by Government of

India Ministry of Home Affairs, for arranging, conducting and analyzing the results of the demographic surveys of India including Census of India and Linguistic Survey of India. The position of Registrar is usually held by a civil servant holding the rank of Joint Secretary.

- **Application** : **Food Safety Connect (Development Phase)**
Role : Programmer.
Technologies : Flutter,dart.
Website URL : <https://foscoss.fssai.gov.in/consumergrievance/>

Project Description:

The Food Safety and Standards Authority of India (FSSAI) has been established under Food Safety and Standards , 2006 which consolidates various acts & orders that have hitherto handled food related issues in various Ministries and Departments. FSSAI has been created for laying down science based standards for articles of food and to regulate their manufacture, storage, distribution, sale and import to ensure availability of safe and wholesome food for human consumption.
