

LAXMAN JADHAV

• MERN Stack Developer •

ABOUT ME

I am bringing more than 1.5+ years of experience leading website design projects, including gathering user requirements, producing code, creating mockups, and enhancing designs. I am focused on creating clean, robust code with exceptional security. Achieves compatibility targets while meeting and exceeding customer demands.

EDUCATION

2019 - 2023 • B-Tech CSE Final Year

Certificate course in Web Development

2018 - 2019 • 12th - 68.60

2016 - 2017 • 10th - 66.80

EXPERIENCE

2020 SkillHub IT Solution's (Aurangabad)

I have worked with senior developers and designers to implement the Website using HTML, CSS, JavaScript, and MERN.
Monitored internal system technical performance and gathered consumer information about program functionality.
Collected, defined, and translated user requirements into project designs and implementation plans.
