ABOUT ME

Strong in design and integration with intuitive problem-solving skills. Proficient in HTML, CSS, JAVASCRIPT and Passionate about implementing and launching new projects. Ability to translate business requirements into technical solutions. Looking to start the career as an entry-level software engineer with a reputed firm driven by technology.

INTENSHIP

let's Grow More

Web Develop Intern

- As I'm very passionate about Web Development so I applied for this program in June batch and got selected in it.
- In this June one month Virtual Internship Program, we were given few tasks. After completing the task, you will get your certificate.
- I completed first 3task. During this internship I learned a lot. I get on hand experience and learned new stuff. Which will help me in future for my projects.

PROJECT

Payment-Gateway-Integration

Implements the functioning of a Payment-Gateway-Integration Website that create for Homeless people and here I create a donate button with link payment option by using HTML, CSS, Razorpay Click Here

SKILL

HTML	CSS	JAVASCRIPT	BOOTSTRAP	FIGMA
