Experienced in healthcare, stock management, government and E-commerce domain applications. Intrigued in ,Net Core and Azure based software development with a fascination for Artificial Intelligence and Machine Learning.

SKILLS

Languages : C#, C, C++, TypeScript , **Javascript**

Framework : .Net, ASP.Net, RestAPI, WCF, WPF, .Net Core, Angular, **React**

Database/ Cloud : SQL, Azure

PROJECTS

Conduent

Technology : .Net, C#, SQL, Entity Framework, RestAPI

Digital Processing of Healthcare documents, Restful applications development, Security framework design, Atomic Crud operations, scalable application

Business Automation of Markfed

Technology : .Net Core, Angular, Azure, WCF

Designed and Developed large scale reliable and open source applications for real-time tracking of stock movement, comprehensive report generation, Developed medium for encryption and transfer of sensitive information.

EDUCATION

2010-2014

BACHELOR'S DEGREE IN ELECTRONICS & COMMUNICATION

Biju Patnaik University of Technology

Relevant Courses - C Programming, Data Structures & Algorithms (C), OOPS Concepts (C++), Operating Systems

2014-2014

.NET FRAMEWORK CERTIFICATION

Interface Software Solutions

.Net Framework certification and experience in live project developing applications using Restful API and SQL Server.

WORK EXPERIENCE

NOV 2021-PRESENT

SOFTWARE ENGINEER

INFINITE COMPUTER SOLUTIONS

Designed scalable and reusable applications to digitally process healthcare related documents.
Developed viewer for comprehensive and clean reports.

June 2017- July 2020

PROGRAMMER

DEPARTMENT OF COOPERATION, ODISHA

Designed and Developed large scale reliable and open source applications for real-time tracking of stock movement, comprehensive report generation, application security, prevented cascading failures
May 2014- June 2017

SOFTWARE DEVELOPER

3S INFO SOLUTIONS

Designed and Developed web and windows applications using identity authentication and authorization in various domain like E-Commerce, Public Service, Government. Developed SOAP based app in goods transport service

Skills

● ● ● ● ● ● ○ C#

● ● ● ● ● ○ ○ .NET

● ● ● ● ○ ○ ○ .NET CORE

HOBBY

● CODING   ● KARATE
● READING   ● TRAVELING
● GAMING
