Looking for a startup-like environment that provides me the opportunity to improve my skills and knowledge to growth along with the organization.

ACADEMIC PROFILE: -

Course	Institute Name	Year	Percentage (%)
MCA	Vikrama Simhapuri University (Nellore)	2021	84
Degree	Shri Gnanambika Degree College (Madanapalli)	2019	90
Inter	Krishnareddy Siddartha College (Madanapalli)	2016	93
SSC	Z.P.H.S (Marripadu)	2014	79

ACADEMIC PROJECT:

Project Name: FREQUENT ITEM SET MINING ALGORITHM BASED ON BIT COMBINATION

Technology: JAVA

Development Tool: ECLIPSE IDE

Database: MYSQL

Description:

Developed this project is to find the frequent item sets in a retailing shops. In that let us take a dataset, in that which are repetiting more number of frequent item sets with accurate in the database, those frequent item set data will be converted into binary bit combination using frequent pattern growth algorithm, which is improved version of Apriori algorithm based on data mining techniques. So, the retailer shop persons should identify frequent item sets in transaction dataset.

TECHNICAL SKILLS: -   Java, Spring Framework, Spring MVC, REST API, MySQL,

Servlets, Hibernate and JPA.

PERSONAL PROFILE :-

Name	:	K.Akhila
Father's name	:	K.Prabhakar Reddy
Mother's name	:	K.Devaki
